Political Economy of Development

Research Workshop
December 15 and 16, 2017

Room A 310

Political Economy of Development - Research Workshop

The Political Economy of Development research area will host a joint WZB-Columbia University workshop to present and discuss ongoing research, completed research, and research designs. Presentations by members of the Institutions and Political Inequality research unit and doctoral students at Columbia will include work on gender empowerment in Uganda, bureaucratic organization in Sierra Leone, gender-based violence in Congo, community policing in Papua New Guinea. The workshop takes the form of small group focused discussions on research and will generally not include presentations. Participants will be expected to read in advance and contribute to discussion.
